

Einrichtungsanweisung für Besucher (Englisch)

You need an **iPhone** or an **Android** smartphone and **headphones**

You do not have a smartphone or headphones? You need assistance with the installation or usage of the app?

Then talk to the responsible staff with an orange badge  in the hall or near the interpreter booth.

A one time setup of your smartphone

BeONAIR Corporate Client

Scan the corresponding QR code on the left hand side or search for **beonair** in the Google Play Store or App Store and install the free of charge listener app.

Wi-Fi Connection

After you have successfully installed BeOnAir, connect your smartphone with the **Logos** Wi-Fi network with the Wi-Fi key: **fcglogos**
 Android users can optionally scan the QR code and apply the Wi-Fi settings.

Using the app – Listening to the translation

- Activate the **Flight Mode** and turn the **wifi** back on again

- Attach headphones to the smartphone

- Open the **BeONAIR Corporate Client**

- Press **Listen**

- Select the stream with the **language** of your choice

 Bad sound quality on iPhone 5 or newer?

Push the Home Button twice > close BeONAIR > turn Wi-Fi off > turn Wi-Fi on > open BeONAIR > try to **Listen** again

- Save the battery:

all iOS +  **older** than Android 4.2 -> turn off the screen with the **Off** button on your smartphone

starting with Android Version 4.2 -> **Dim** the screen within the app

After the service

 - Turn off the **Flight Mode** on your smartphone

Checklist for the next Sunday service

 - Charge your battery!

 - Bring your favorite headphones (in-ear work best)!
